Sande

Grains of sand from endless sand dunes
of exotic deserts or grains of sand from paradise beaches
by the turquoise-colored sea.

The feeling is always the same, exciting, beautiful, fanciful.

Velour

The story of velour is the story of the fields of Provence, where the the soft, high-quality fabric worn in cold weather has been produced for centuries.

The hands of Provence master craftsmen created the velour fabric, which has been a synonym for quality and warmth for centuries.
